

Question 696) - In what circumstances are camels and cattle specified for slaughter?

A: A complete camel or cow must be slaughtered as compensation for making Tawafuz Ziyarah as a Junub and not repeating the Tawafuz Ziyarah. It is also the compensation for one who had sex after Wuquf at 'Arafat but before shaving and before Tawafuz Ziyarah. In these two scenarios only a cow or camel will suffice. In all other cases a sheep will suffice, be it for Damm of Ihsar, Damm of Tamattu', Damm of Qiran, Damm of violations; or simply voluntary Hady.
