

Question 1577) - What is the status of the divorce of a drunken man and one forced to give divorce?

A: The divorce occurs.*

* Referring to a drunk who still has his senses. However, if he has completely lost his senses then the divorce does not occur e.g. he cannot tell the difference between a man and a woman; the earth and the sky. Drink refers to consuming any intoxicant including honey wine, and drugs like opium etc.
