

Question 2423) - Is there an order to their entitlement or are they all equal?

A: There is an order to their entitlement to inheritance as follows - the most entitled is the one from the child of the deceased i.e. the Daughter's child. Then the descendants of the parents or one of them i.e. brother's daughters and sister's children. Then the child of the parents of the parents or one of them i.e. maternal uncles, maternal aunts and Paternal aunts.
