

Does Madhi Nullify the Wudhu?

Q: Taharaat-26: I am married and Madhi (thin seminal fluid that emerges before semen) is often discharged when I play with my wife. I am sometimes completely unaware of it until I make Istinja. It often even happens when I have no intention to have intercourse. Is the Madhi pure or not and does it nullify wudhu? Is it permissible to perform salaah with Madhi on the body or clothing?

Answer: Madhi is impure and the body and clothing will have to be washed off if any Madhi gets on to it. If the quantity is minute, it will not be Waajib (compulsory) to wash it off, but better. However, if the quantity is great, it must be washed off. The emergence of Madhi will break the wudhu. And Allaah knows best what is most correct.
