?As Salaamu Alaykum wa Rahmatullaahi wa Barakaatuh

Two of your works 'The Ruling of the Shari'ah with regard to Criticising the Ambiyaa Alayhissalaam. And Reviling the Sahabah RADI. and 'The Ruling of Tafseer Bir Rai' have reached me. It was written most fairly without being too brief nor too laborious. It is explicit, well-substantiated and complete. After starting to read it, I could not put it down without finishing it. May Allaah accept it and make it benefit people most extensively. Aameen."

3. Hadhrat Moulana Mufti Yahva, Chief Mufti of Madrassah Mazaahirul Uloom in SahaaranPur

"As Salaamu Alaykum wa Rahmatullaahi wa Barakaatuh

I have heard/ read your work 'The Ruling of the Shari'ah with regard to Criticising the Ambiyaa Alayhissalaam. and Reviling the Sahabah RADI. in two sittings and have now completed it. It makes the status of these pure souls apparent using excellent subject matter together with the blessed verses of the Qur'aan and Ahadeeth. These all speak highly of them and leads one to place them on a high pedestal and to detest anyone who speaks insolently of them. May Allaah keep us steadfast on the straight path until we reach our graves and may He elevate your stages."

4. Hadhrat Moulana Mufti Zafeerud Deen. compiler of Fataawa Daarul Uloom

"As Salaamu Alaykum wa Rahmatullaahi wa Barakaatuh?

Today a student gave me a copy of your booklet 'The Ruling of the Shari'ah with regard to Criticising the Ambiyaa Alayhissalaam. and Reviling the Sahabah RADI. and I read it in one sitting. Maasha Allaah! In a small booklet, you have managed to condense all that is of great need today While answering a query, you have summarised all the knowledge a your disposal into one place. May Allaah grant you the best of deep rewards.

When the first volume of Fataawaa Raheemiyyah was sent to me, I was instantly convinced of your proficiency. This conviction has now been increased after reading this Fatwa. May Allaah take even more services of Deen and of knowledge from you. May Allaah also grant you a long life with good health and safety. Your knowledge seems exceptionally deep and profound, which is seriously lacking nowadays. I was so impressed after reading your Fatwa that I was forced to write these few lines. I would like to conclude to again congratulate you on this sterling service. May Allaah accept it."

"It was on my journey to Gujarat that Moulana Moosa Kirmadi showed me a copy of the booklet ?The Ruling of the Shari'ah with regard to Criticising the Ambiyaa Alayhissalaam. and Reviling the Sahabah RADI. I scanned through a few sections and although I had always acknowledged the knowledge and understanding of Hadhrat Mufti Sayyid Abdur Raheem Lajpuri I was extremely taken aback by the strength of the proofs that the booklet presents and by the gravity of the content.

6. Hadhrat Moulana Muhammad Haashim Bukhaari Lecturer of hadith at Darul Uloom Deoband

As Salaamu Alaykum wa Rahmatullaahi wa Barakaatuh

Despite your age and frail health, you have written an exceptionally unique and wonderful booklet that renders Maududi's group speechless. May Allaah bless you in your age, make your shadow fall over us for a long time and allow the Ummah the opportunity to benefit from you.

Your booklet written in response to a query renders one speechless in its comprehensiveness and beautiful style. After reading the booklet, people who have been in doubt about Maududi shall be equipped to make the right decision and their hearts will finally be at ease. May Allaah accept this great effort and service and continue to grant the creation benefit through it. Aameen."
