

Q: 349- Can I do Istikhara for my exam. If yes then how??For example if I do istikhra for my physics paper then what could i find about my paper.

Ans: Study hard for your exams and Insha ?Allah you will know be successful. Istikhara is not performed to find out the questions in the exam paper. You are so concerned about your physics paper, may Allah Ta?ala grant us at least similar worry and *Tawfeeq* about our exams in the *Aakhira*.
Aameen

And Allah knows best
