

Will Wudhu be Nullified when Blood from beneath a Bandage seeps through?

Q: Taharaat-37: Cotton wool and a bandage were wrapped on a sore from which blood and pus flowed. The blood however seeped through the bandage as it continued to emerge. Will this nullify the wudhu?

Answer: If the blood is so much that it cannot be stopped and it flows out of the wound, the wudhu will be nullified.
