

It is Permissible to Make Du'aa Using the Medium of saints without the need to be Present at their Tombs

Q: Imaan-21: Is it permissible to go to the tomb of a saint and to sit there to make du'aa using the saint as a medium?

Answer: While it is permissible to make du'aa using the saints as mediums, it is not necessary to be present at a tomb. The du'aa is directed to Allaah and not to the person in the tomb and Allaah is present everywhere. Allah Knows Best.
