

Question 425) - What do Imaam Muhammed RAH. and Imaam Abu Yusuf RAH. say about crops which are not measured with Wasq such as saffron and cotton?

A: According to Imaam Abu Yusuf RAH. if the crop is valued at 5 Wasq of the lowest value crop measured in Wasq then a tenth is due. According to Imaam Muhammed RAH. a tenth is due when the crop reaches 5 of its biggest measurements e.g. 5 bales of cotton and 5 Amna [a measurement] of saffron.
