#### Question

I will b going for hajj this year insha-allah i have got 60% of the package money the other 40% will b filled in by my father I would like to know, will this hajj b valid/accepted.

I' ve heard that one should perform with his own means & if he's owing some one his due & doesn't pay & goes for hajj then his hajj won't b accepted

can some one sponsor bal or pay bal for him

my father has'nt mentioned to me to repay when i get back. shall i clarify the matter with him

#### Answer

In the name of Allah, Most Gracious, Most Merciful

Assalaamu `alaykum waRahmatullahi Wabarakatuh

Since you only possess 60% of the money needed, hajj is not obligatory on you, even if your father is willing to provide the other 40%.

If you go to hajj after accepting your father's money as either a gift or a loan, your hajj will still be valid. However, you should first clarify with your father if he is giving the money as a gift or as a loan.
